

Directory for Tourism for All in ASEAN

"One Vision, One Identity, One Community"

Foreword

Nowadays, global citizens realize the importance of vulnerable people in our society, especially elders and Persons with Disabilities (PWD). According to World Population Prospects 2019 (United Nations, 2019), by 2050, 1 in 6 people in the world will be over the age of 65, up from 1 in 11 in 2019. With their resources and abundant leisure time, they have the right to decide wherever they wish to visit. These two populations have a strong potential for tourism and are growing as medical technology advances. Therefore, it is necessary to arrange appropriate facilities for all people including these groups who are a part of our community. However, it might be challenging to find locations that can accommodate them properly.

To encourage and facilitate these people to travel and visit interesting places in ASEAN, which is the region known as one of the top tourist destinations that possess cultural heritages, natural resources, bio-diversity and other attractive locations, Thailand with generous cooperation from other ASEAN Member States (AMS) has developed “Directory Tourism for All” to promote and recommend places with facilities for tourists of all ages and physical conditions. This directory is comprised of locations in each AMS with services for elders and PWD as follows : General Information of the City / Province, Accommodations, Restaurants, Tourist Destinations, Tour Operators and Car Rental. This directory will provide everyone with the facilitated option to visit locations that meet their demand.

Note

The organizing committee has developed this directory with the optimistic purposes and hope that it will be beneficial to everyone and has no conflict of interest with any locations listed in this directory. Moreover, the organizing committee has taken precautions to ensure that the information contained in this directory is accurate, comprehensive, and compliant with copyright laws. However, the organizing committee will not certify the inaccuracy or completeness of information causing any damage.

MALAYSIA

JOHOR BAHRU

JOHOR

City/Province / Country	
General Information	<p>Located on the southern-most part of Peninsular Malaysia, Johor is one of the most developed and urban states in Malaysia. While the royal city off the state is Muar, the capital city of Johor is Johor Bahru, which is also located in the south part of the state of Johor.</p> <p>From the royal town of Muar, famed for its historical pre-war buildings, to the museums of Johor Bahru, immerse yourself in a state full of discovery. Be sure to make a pitstop at one of the oldest buildings in Johor, the Royal Abu Bakar Museum. Occupying the Grand Palace, the museum takes you through the glorious history of the Royal family and showcases their rare artefacts and priceless treasures.</p> <p>Influenced by traders throughout its history, the culture of Johor is unique and has been preserved by its community. One of the central influences to Johor culture was brought by the Bugis people, who primarily arrived to Malaysia through Johor before moving into various parts of the nation. There is also a strong Arab influence present in traditional art performances such as Zapin and Hamdolok and traditional Johor instruments like Gambus.</p> <p>Javanese culture has also been traced to have been integrated into Johor traditional culture – namely through the famous KudaKepang dance. Due to its rich history and assimilation of different immigrations, Johor’s distinctive culture was born and is cultivated to this very day.</p>
Accessibility to City/Province / Country for PWD and Elders	<p>By Airplane</p> <p>The Senai International Airport is located in Senai, Johor Bahru and is roughly 30 minutes away from the city centre by taxi. Head to the taxi counters to book a taxi with a flat rate.</p> <p>By Bus</p> <p>The main bus station, Larkin Central, is situated in Johor Bahru and is located just 15 minutes from the city centre. The station accommodates bus services from all over Peninsula Malaysia as well as Singapore.</p> <p>Visitors from Singapore have the choice of several bus services, mainly Causeway Link Bus, SBS Transit Bus, SMRT Bus, Transtar</p>

City/Province / Country

Bus, Singapore-Johor Express. Most of these bus services however will take you to the JB Central bus station and not Larkin Central so be sure to check the destination boards prior to boarding.

By Car

For visitors from Singapore, you may drive into Johor through the main entry point, Sultan Iskandar Customs (from Woodlands Checkpoint in Singapore). You may also enter Johor Bahru through what is locally known as the 'Second Link', Sultan Abu Bakar Complex (from Tuas Checkpoint in Singapore).

Visitors from Kuala Lumpur (or the rest of Peninsula Malaysia), should take the North-South Expressway which links the capital Johor Bahru all the way to Alor Setar in Kedah.

Getting around in Johor

By Bus

Visitors to Johor Bahru can travel to different places within the city by using its extensive bus service network. The buses have destination boards and mostly operate from Larkin Central or the main bus stops in the city centre opposite of City Square (a shopping mall linked to the Malaysian Customs). The fares for the majority of the buses are relatively cheap and they also cater to travellers who are heading to the outskirts of Johor.

By Car

There are numerous car rental services in Johor Bahru offering a wide variety of cars to accommodate groups, families and individual preferences. Trusted companies like Avis Car Rental, Mayflower Car Rental have offices in Johor Bahru.

City/Province / Country	
	<p>Taxi, Uber or Grab services</p> <p>Alternatively, you may also download ride sharing applications such as Uber or Grab or flag down local taxi services. Uber and Grab are actively more popular in the city and rides can easily be booked using the respective apps.</p> <p>Tip: If you are flagging down a local taxi, be sure to make sure the taxi operator is using a meter-rate.</p>
<p>Facilities for PWD and Elders</p>	<p>In general, PWD friendly toilets, ramps and parking spots are available in most major shopping malls and restaurants around Johor. 4 star hotels under Malaysian Association of Hotels (MAH) are required to have PWD friendly facilities. ALL Hotels listed under MAH would have AT LEAST one room specified for PWDs.</p>

MELAKA

MELAKA

City/Province / Country	
General Information	<p>Melaka is a historical city and has been listed as a UNESCO World Heritage Sites.</p> <p>Melaka have been occupied by the 3 European powers for almost 500 years.in the year 1641, The Dutch capture the Melaka from the Portuguese which mark the ending of Portuguese power for almost 130 years. But this not the end of the story where the British came in 1824. The Portuguese built the fortress, forts and church while the Dutch repair and restore the damaged of fortress and wall. They also build a new government building, quarters and premises. The tourist can see the Dutch legacies that concentrate around the St. Paul's Hill and near to Melaka River.</p> <p>Melaka is a historic city with a multicultural living heritage originating from the trade routes and you will find a mixture of all culture here. You will be surprise to see various ethnicity living here such as Chitty, Baba & Nyonya, Chinese, Indian and Malay as well as Portuguese people live in harmony.</p>

Geography

Sarawak is located immediately north of the Equator between latitude 0° 50' and 5°N and longitude 109° 36' and 115° 40' E. It stretches some 800 kilometres along the northwest coast of Borneo, covering an area of 124,449.51 square kilometres.

The State is separated from Peninsular Malaysia by the South China Sea — a distance of 600 kilometres. It is directly joined to the State of Sabah to the northeast where the Sultanate of Brunei forms a double enclave. Inland, Sarawak borders with Kalimantan, Indonesia.

Climate / Rainfall

Sarawak has an equatorial climate. The temperature is relatively uniform throughout the year – within the range of 23°C early in the morning to 32°C during the day.

In the highland areas such as Bario, the temperature hovers between 16°C and 25 °C during the day and gets as low as 11°C on some nights.

The northeast monsoon, usually between November and February, brings heavy rain, while the southwest monsoon from June to October is usually milder. The average rainfall per year is between 3,300 millimetres and 4,600 millimetres, depending on locality.

Humidity is consistently high in the lowlands ranging from 80 per cent to 90 per cent.

2. Water Transport

Rivers are the lifeblood of Sarawak. Sarawak has a total of 55 navigable rivers with a combined length of 3,300 km. The State's river transport system has great significance to the large section of Sarawak's population who live in the interior and along the coast. Express boat services utilise the many waterways inland to get to rural areas inaccessible by road.

EXPRESS BOATS: Sarawak River Board [itinerary for boats in Sarawak](#). (Kuching to Sibul):

Express Bahagia, service departs daily at 08.30 hrs., 4 hrs. Tickets are sold at the jetty in Pending. It's advisable to get there 30 mins before departure.

3. Land Transport

Under the politics of development, Sarawak's extensive network of road and bridges brings people closer to the mainstream of development. Presently, Sarawak has around 30,000km of road. The main road route through Borneo is the Trans-Borneo Highway, which is approximately 2,083 kilometres from end to end connected most of the major town and cities in Sarawak.

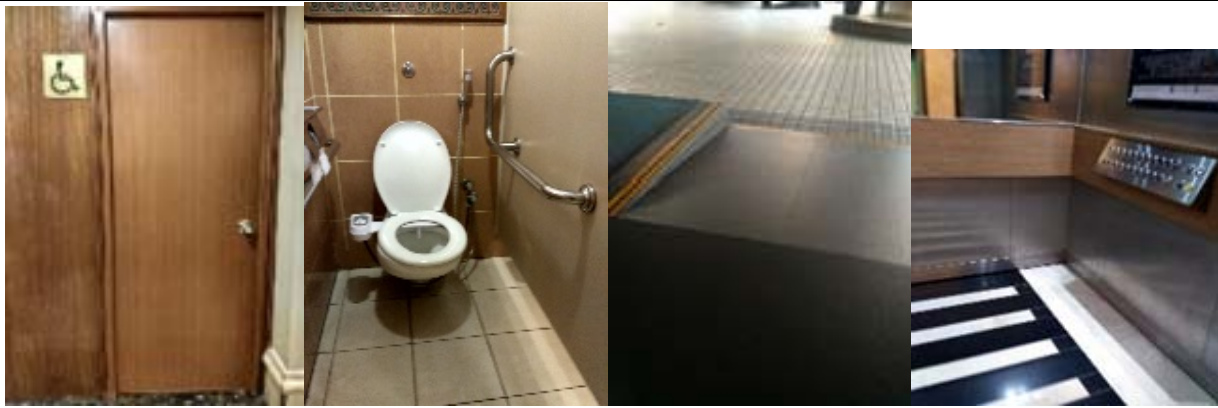

City/Province / Country (Kuching, Sarawak)

TAXIS: Airport to town is RM 26 – buy a coupon at the taxi stand at the airport. Town to the airport is RM 26. At the moment not all Kuching taxis use meters so agree the fare first. Taxis can always be found outside the big hotels and at the taxi stand where Jalan Gambier becomes LebohJawa. Alternatively, call +6082-343343/342255 or +6082-348898 for 24-Hour Radio Taxi service (RM1 surcharge). Short distances around town are RM 7-12.

E-HAILING: (Kuching) Grab, MyCar. (Sibu) Grab. (Bintulu) Grab. (Miri) Grab, MyCar, QRgo.

CAR HIRE: This is a great way to explore in and around Kuching. A number of tour operators provide chauffeur-driven cars, vans or 4WD vehicles, but there are only a few fully-fledged self-drive companies operating in Kuching. Be wary of unlicensed operators, as they will not be fully insured – look for the Hire & Drive Permit fixed to the windscreen. At peak periods it is advisable to book a car in advance.

How to go to the Accommodation by Private Car or Public Transport (Please specify the from start	<p><u>By Private Vehicle</u></p> <p>Duration: 5 to 6 hours</p> <p>The most direct way to travel in between Yangon and Hpa-An is to go by private vehicle. You can also rent a minivan if you have a larger group that you're traveling with. This offers you the option of hiring a chauffeur or renting your own car, depending on which you prefer. The first option is more expensive but allows you to relax and enjoy the ride. The second</p>

location to destination point)	<p>is cheaper but you'll have to navigate bumpy and unimproved roads at times. The upshot is that you can go at your own pace.</p> <p>To get there, head north to the Yangon-Mandalay Highway (also called Route 1) to Route 8, then take that southwest for about 3 to 3.5 hours. At the junction with Route 85, cross the Thanlyin River and head north on that road the final stretch to My Hpa-An Residence.</p> <p><u>By Bus</u></p> <p>Duration: 7 hours</p> <p>There are at least three services that operate buses on this route including Asia Express, MandalayMinn Express, and Mi Ba Gone Express. All three operators run full-sized, VIP-style buses with air conditioning and amenities. The buses are known to be comfortable with reclining seats and ample legroom. They all serve water and snacks, and some have extra features like charging ports or personal TVs.</p> <p>It takes about seven hours to traverse the 350 miles in between destinations but most of it, particularly the second half, is scenic as you travel in and out of the mountains for stretches at a time. After you cross the Thanlyin River can ask to stop the bus at Shwe Kyat Hpa or Clock Tower and hire the TokTok to send our hotel.</p>

Accessibility to City / Area /Community/ Province for PWD and Elders	<p>Trains</p> <p>With over 119 stations linking most of the island, Singapore's Mass Rapid Transit (MRT) system is one of the most convenient ways to get around.</p> <p>All existing MRT stations have at least one barrier-free route, ramps and lifts, as well as wheelchair-accessible toilets and wider fare gates. Each train has two wheelchair-accessible carriages, which are demarcated with stickers on the platform screen door and platform floor.</p> <p>Visually-impaired commuters can use the Braille plates in station elevators and the tactile paving on the ground to navigate from MRT entrance to platform. Station names and instructions for transfer are announced at every train stop.</p> <p>The Deaf will be able to check for arrival times and destinations at the various screens located around the train platform. All platform doors are also installed with flashing red lights, to indicate when the doors are closing.</p> <p>If you need to take medication with water while at the station, be sure to contact the ground staff, who will be happy to make special arrangements.</p> <p>Buses</p> <p>Currently, over 85% of Singapore's buses are wheelchair-accessible, with plans to make all buses in Singapore wheelchair accessible.</p> <p>These buses can be identified by the blue decals at the front of the bus. Bus captains are also trained to assist with boarding and alighting, and every bus has designated priority seats for pregnant women and the elderly.</p>

TAK (MAE RAMAT)

City/Province with Service for PWD / Elders	
Topic	Detail
Country	Thailand
Name of City/Area / Community/ Province etc.	Mae Ramat district, Tak province
General Information	<p>Mae Ramat district is assumed to have Karen tribe lived there for over 100 years. Later, people from the northern provinces such as Lamphun, Chiang Mai, Lampang, Phrae, and Nan are migrating and settle down by the Mae Ramat creek. Once it is known to be rich in resources and had good harvests, the settler then invites their associate to settle here until it was a big village, border village of Mae Sot district, called Baan Mae Ramat. Afterward, Phaya Inthakhiri, Mae Sot district's mayor of the time, recognized that Mae Ramat had an exponential growth but couldn't be easily accessed due to long commuted time, so the mayor established Mae Ramat minor district for ease of governance in 1897. Finally, in January 1st 1951, the government promoted Mae Ramat minor district to Mae Ramat district with Mr. Amphan Kittikachorn as its 1st mayor.</p> <ul style="list-style-type: none"> - Mae Ramat district can be divided into 6 sub districts and 57 villages - Mae Ramat sub district consists of 8 villages - Mae Charao sub district consists of 9 villages - Khane Chue sub district consists of 14 villages - Phrathat sub district consists of 8 villages - Sam Muen sub district consists of 5 villages - Mae Tuen sub district consists of 13 villages
